Summary of activities that justifies the inclusion of the vessel on the List, together with reference to all relevant documents informing of and evidencing those activities	Fishing in the SPRFMO Convention Area without authorisation (air photographs from New Zealand) and prolonged unauthorised presence in the SPRFMO Area (evidence from Chile).	Prolonged presence in the SPRFMO Area without authorisation and providing support to five authorised Peruvian trawlers according to evidence provided by Chile and Peru.	In response to information received through AIS data, the New Zealand Government deployed a surveillance aircraft on 21/2/2015 to the approximate location of the Mys Marii which was present in the SPRFMO Convention Area to the east of the New Zealand EEZ. As a result of the surveillance activity carried out, photographic evidence was gathered which showed that the Mys Marii was fishing at the time. It was subsequently confirmed with the SPRFMO Secretariat that the Mys Marii was not authorised to fish in the SPRFMO Convention Area by its flag state Russian Federation. See New Zealand preliminary investigation report (24/3/2015), letter to Russian Federation (26/3/2015) and letter to the SPRFMO Secretariat (23/9/2015)
