Title :	Procedures for Applying for Exemption from the Requirement to Slaughter Chickens, Ducks, and Geese in Slaughterhouses for Production of Kosher Poultry 
Date :	2024.08.15
Legislative :	1.Promulgated by the Ministry of Agriculture on August 15, 2024
Content :	1.These Procedures are prescribed by the Ministry of Agriculture to implement the proviso to Paragraph 1 of Article 29 of the Animal Industry Act and the Ministry's Announcement No.1131893637, issued on August 2, 2024, designating chickens, ducks, and geese slaughtered for the production of kosher poultry as exempt from the requirement to be slaughtered in slaughterhouses. 2.To prevent the occurrence and spread of poultry diseases and to verify that the applicant possesses the qualifications and capability to produce and supply kosher poultry, an applicant must submit the following documents together with the application: (1) A Poultry Health Certificate or a Declaration of Poultry Health; and (2) A document issued by the Israel Economic and Cultural Office in Taipei certifying that the applicant is qualified to produce and supply kosher poultry. 3.An applicant must complete the application form set out in Annex 1 and submit it, together with the documents specified in the preceding provision, to the municipality or county (city) government having jurisdiction over the location where the poultry will be slaughtered at least seven (7) days prior to the scheduled slaughter date. 4.Upon review of the application referred to in the preceding provision, the municipality or county (city) government having jurisdiction over the slaughter location will issue a Review Notification in the form prescribed in Annex 2. 5.Where the application is approved by the municipality or county (city) government having jurisdiction over the slaughter location, the chickens, ducks, and geese slaughtered for the production of kosher poultry are exempt from the requirement to be slaughtered in a slaughterhouse. However, such slaughter must still comply with all applicable laws and regulations governing animal protection, environmental protection, and other relevant matters.
