Two copies of recent 2" x 2" passport-size photos indicate</p>

- name at the back of photo.
4. Documents certifying membership at local veterinarian association.
 5. Certification documents of practice organization. This requirement is not needed for those who are applying at the same time for opening a veterinary medical institution/clinic.
- Veterinary aide applying for a practice license shall observe regulations provided above and shall be required to include practice qualification documents of a veterinary aide.
- In issuing practice license, the notation "Practice license issued number _____county (city), _____date) shall be stamped (3 cm long 2 cm width) at the back of the veterinarian or veterinary aide certificate)
- Those who have already obtained veterinarian or veterinary aide certificate prior to the modification of the enforcement rule shall be required to apply for practice license within two years from the date of amendment of this enforcement rule.

Article 5

The municipal or county (city) competent authority shall keep a register for practice license containing the following information:

1. License number and date of issue.
2. Name, ID number, sex/gender and birth date of applying veterinarian or veterinary aide.
3. Certificate number of applying veterinarian or veterinary aide.
4. Name and address of practice organization.
5. Reason and date for replacement or reissuance of practice license.
6. Reason and date for cancellation of practice license.
7. Other matters which should be registered.

Article 6

In accordance with stipulations provided under Article 7 of the Law, veterinary practice organizations include:

1. Public veterinary clinic/ institution
2. Private veterinary clinic/institution
3. Animal breeding farm recruiting full-time veterinarian or veterinary aide.
4. Animal health, inspection and research institutions
5. Animal quarantine agencies
6. Animal health agencies
7. Biological drug firm for animals.
8. Farmers associations
9. Slaughter houses.
10. Other animal or veterinary organization recognized by the central competent authority.

Article 7

When the practice is closed, suspended, or resumed or the address for practice is changed, the veterinarian shall be reported, approved and filed in accordance with stipulations provided under Paragraph 1 of Article 8 of the Law. An application shall be submitted to the original issuing authority, together with the practice license and relevant documents and shall be handled in accordance with following:

1. Close: cancel practice license.
2. Suspension: indicate date of suspension on practice license and return it to its holder.
3. Resumption: indicate date of resumption on practice license before returning it to its holder.
4. Changes in the address for practice: makes necessary registration on changes. However, when the address for practice is moved to a different administrative area, the practice license shall be submitted for cancellation. In accordance with stipulations

provide under Paragraph 1 of Article 5 of this Law, a new application for practice license shall be filed.

Article 8
(Deleted)

Article 9

The term "notifiable diseases" pursuant to Article 13 of this Law refers to infectious animals diseases pursuant to Article 6 of Statue for Prevention and Control of Infectious Animal Disease.

Article 10

The term "experiences" referred to under Paragraph 2 of Article 16 of the Law denotes experience obtained after the veterinary aide has been certified. The term "assist in executing veterinarian business" provided under Subparagraph 1 and 2 of the same paragraph refers to those who engage in professional veterinary work under the guidance of a full-time veterinarian.

Article 11

In accordance with stipulations provided under Paragraph 2 of Article 16 of the Law, a veterinary aide applying for a practice license shall provide an application to the municipal or county (city) competent authority, which will submit this to the central competent authority for approval of certification.

Article 12

In accordance with stipulations provided under Paragraph 1 of Article 17 of the Law, the following documents and appropriate license fee shall be submitted together with the application for opening permit of a veterinary medical institution/clinic to the municipal or county (city) competent authority for approval:

1. Application for opening permit.
2. Original copy and Xerox copy of the responsible veterinarian or veterinary aide practice license; original copy shall be returned after verification. This requirement is not necessary for those who are also applying for opening permit.
3. Copy of ID of the applicant.

Article 13

The municipal or county (city) competent authority shall keep a register for opening permit, and record the following:

1. Opening permit number and date of issue.
2. Name, ID number, sex/gender, birth date of the responsible veterinarian or veterinary aide.
3. Name and number of the certificate and practice license permit of veterinarian or veterinary aide working inside the veterinary medical institution/clinic.
4. Name and address of the veterinary medical institution/clinic.
5. Name, ID number, sex/gender, birth date of representatives of the public veterinary medical institution.
6. Reasons and date for replaced license.
7. Reasons and date for cancellation of license.
8. Other matters which must be registered.

Article 14

In accordance with stipulations provided under Paragraph 1 of

Article 19 of the Law, the name of a veterinary medical institution/clinic shall be limited as follows:

1. "The-Name" animal hospital
2. "The-Name" livestock hospital
3. " The-Name " veterinary hospital
4. " The-Name " (kind of animal) special hospital
5. " The-Name " animal clinic
6. " The-Name " livestock clinic

10. " The-Name University" auxiliary animal hospital
11. " The-Name University" auxiliary livestock hospital
12. " The-Name School" veterinary education hospital
13. The other names recognized by the central competent authority

Article 15

When a veterinary medical institution/clinic is closed, suspended or resumed or changes its registered item, the responsible veterinarian or veterinary aide shall report and approved in accordance with stipulations provided under Article 12 of the Law. An application form shall be duly filled out and submitted to the original issuing authority together with the opening permit and relevant documents. And it shall be handled in accordance with the following regulation:

1. Close: cancellation of its opening permit.
2. Suspension: indicate date of suspension of opening permit before returning to applicant
3. Resumption: indicate date of resumption of opening permit before returning to applicant.
4. Changes in registered item: conduct amendment in registration. However, if business practice is moved to other administrative area, opening permit shall be submitted for cancellation. In accordance with stipulations provided under Article 17, Item 1 of the Law, a new application for opening permit shall be filed.

Article 16

Replacement and reissuance of a damaged or lost veterinarian or veterinary aide certificate, practice license or opening permit shall be conducted in accordance with stipulations provided under Article 2, Article 4 or Article 12 of the Law.

Where the certificate, license or permit has been replaced or re-issued due to damage, the original copy of the certificate license or permit shall be submitted for cancellation. In the event which the certificate, license or permit has been lost, reasons shall be stated.

Article 17

Duration of keeping of diagnostic records and inspection records of veterinary medical institution/clinic shall be set at five years in accordance with stipulations provided under Paragraph 3 of Article 22 of the Law.

Article 18

(Deleted)

Article 19

Election of directors and supervisors of superior veterinarian associations shall not be restricted to the directors and supervisors of subordinate veterinarian associations.

Article 20

Members of a subordinate veterinarian association selected to attend the supervisor veterinarian association shall not be restricted to its directors or supervisors.

Article 21

The number of representatives in the subordinate veterinarian association selected to attend the superior veterinarian association shall be determined by the ratio of the numbers of members of various subordinate associations, or by the ratio of regular annual fees paid by the associations.

The number of representatives mentioned above shall be prescribed in the charter of the superior veterinarian association.

Article 22

A subordinate veterinarian association shall pay a regular annual fee to the superior veterinarian association. Amount and deadline for payment shall be prescribed in the charter of the superior veterinarian association.

Article 23

The central competent authority shall prescribe formats of certificate, license, application forms, records and certification documents mentioned in the Law and the enforcement rules.

Article 24

(Deleted)

Article 25

These enforcement rules shall become effective on the date of promulgation.
